MASONIC SERVICE AT ST. MARKS

PUBLIC IS CORDIALLY INVITED TO LISTEN TO ADDRESS TONIGHT.

Wednesday, June 24th, is St. John's Day, a day with special significance for all Masons, since every Masonic lodge is dedicated to the Holy Salata John. There will be a special Masonic Service held in St. Mark's Episcopal Church, Wednesday, at 8 p. m. sharp.

Members of Tonopah Lodge No. 28 F. & A. M., and all members of the Masonic fraternity are earnestly requested to meet at the offices of Bartlett & Thatcher, Butler Building, at 7:30 p. m. sharp, for the purpose of proceeding to the church in a body.

The public is also cordially invited to attend this service.

The address by Brother Lloyd B. Thomas will be on the subject of the Masonic Key-words, "Light and Work."

By order of P. E. KEELER, W. M., P. S. BOOTH, Sec'y.

WILL SIGN UP FOR THE PRELIMINARIES

ED WILSON SECURES FREDDIE WEEKS AND JACK LAWRENCE FOR A BOUT.

Ed Wilson, manager of the Casino Athletic Club, will today, in all probability, sign Freddie Weeks and Jack Lawrence for a six-round preliminary go in the smoker which takes place on the evening of July 4. Weeks has quite a reputation as a fighter, and has only been knocked out once, and that was by Abe Attell. Lawrence was sent out to Mr. Wilson by Otto Floto, of Denver, and has quite a long string of victories to his credit. This will be quite an addition to the match between Sullivan and Mustain, as both men are very evenly matched.

NEW CANDIDATE FOR GODDESS

DAUGHTER OF COUNTY TREASURER GILBERT ENTERS THE FIELD.

A new candidate has been entered for the position of Goddess of Liberty during the Fourth of July celebration. She is Miss Frances Gilbert, the beautiful and charming daughter of County Treasurer R. E. Gilbert, and has the distinction of having been chosen last year for the same position. The entrance of Miss Gilbert into the race means that competition will be lively. The rest of the candidates—and their friends are legion—will now have to get out and hustle. The vote closing last night stood: Miss Florence McNeil, 505; Mrs. Letson Balliet, 470; Miss Emma Wise, 255; Miss Frances Gilbert, 210.

RICH LEASE SELLS MASCOT CLAIMS

OPENING UP OF 10-FOOT LEDGE OF ORE RESPONSIBLE FOR SALE.

As a result of the phenomenal showing on the Jordan lease, located on Mascot No. 1, a two-thirds interest in that claim, together with a two-thirds interest in the Mascot adjoining passed last night from the possession of Edward Whitacre, of Yerington, to that of J. C. Steele and his associates of Salt Lake, says the Rawhide Rustler. The negotiations have been under way since Jordan opened up, at a depth of 12 feet, a ten-foot ledge of ore, picked samples of which go above \$6,000, and no as yet so far received go less than \$1,863 to the ton.

Several parties were after the claims, in consequence of the strong showings on the Jordan, three of which climbed the hill in the heart of the camp yesterday and carried off a great deal of high grade. It was the knowledge that these were also negotiating for the property which urged the Steele interests to hasten the close of the deal. They have had an option on the claims since the news of the Jordan strike became common property.

Now that the other persons who were after the claims have found it impossible to purchase the property, they have turned their attention to the Jordan lease, and last night a handsome cash offer was made Mr. Jordan to relinquish control. This he has virtually refused to do, though he has under consideration the transfer of a part interest.

No exact data relative to the purchase price of the Mascots can be secured at this time, as an effort is being made to get possession of the remaining third interest. This is held by Mr. Eugene Grutt, and he values it at \$100,000.

Every block of ground on the estate is under lease.

HANGS BY BAR TO BURNING BALLOON

OAKLAND, June 23.—Hanging by his knees to the crossbar of a burning balloon, Joseph Randall, aeronaut for Idora Park, dropped 200 feet today escaping with nothing worse than some severe bruises.

Randall made the ascension in the presence of hundreds of persons. After rising about 200 feet the spectators below saw the balloon catch fire, and the shout of terror which met his ears was the first notification he received of his danger. He was hanging by his legs, head down, at the time, but at the cry of warning from below he jerked himself up to a sitting position, and catching sight of the flames bursting from the sides of the immense canvas bag, grabbed for his parachute.

He was too late. Before he could disentangle himself and get the parachute into working order the balloon was enveloped in flames and, freed from the gas which upheld it, dropped directly over the roof of Idora Park Theater.

FIGHT DUEL TO DEATH.

ALBUQUERQUE, N. M., June 23. R. M. Sallier and Edward Jones, cattlemen, were both killed in a duel this evening. The fight took place near St. Vrain, N. M., 200 miles east of here. The men were neighbors and quarreled over a cattle trade.

THERE IS NONE LIKE TONOPAH

PIONEER RETURNS AND SO EXPRESSES HIMSELF ABOUT THIS CAMP.

R. T. Brodek, one of the pioneers of Tonopah, came in Sunday from Los Angeles, where he now has his home. Mr. Brodek has been interested in mining from the time he was sixteen years old, and has the distinction of having been in every mining camp in this State. "But there is none of them like Tonopah," said Mr. Brodek, "for despite the glowing terms you hear applied to the other places, there is only one camp that is assured of its permanency, and that is your own city. I am interested in the Lucky Baldwin property at Gold Mountain and will start in operations immediately. I have spent considerable money in this property, and while the ledges encountered were not of a great extent, it is my belief that Gold Mountain will prove to be a second Tonopah. There has been ore extracted from the property that went up in the thousands, but of course the bodies were small. Mr. Brodek will remain in Tonopah about a month before returning to his home in Los Angeles.

H. FLETCHER IS BROUGHT TO CITY

FORMER STOCK BROKER IS SUFFERING FROM A STROKE OF PARALYSIS.

H. Fletcher, the former Tonopah stock broker, who suffered a stroke of paralysis while operating his mining property at Smoky Valley, was brought to Tonopah last evening in the Round Mountain "Nugget." Mr. Fletcher was accompanied by Dr. McIntyre, of Manhattan, who stated that while the patient is in a serious condition he stands a good chance of recovery. Mr. Fletcher's entire right side was paralyzed, but he is now recovering the use of his right leg. He is in full possession of his faculties, and his recovery is believed to be only a matter of time.

WINGFIELD HAS GOOD GOLD MINE

PLACERVILLE, June 23.—In the American Mining Review, published in Los Angeles, appears in the issue of June 13th an article about the well-known mining man, George Wingfield, who is now interested in El Dorado County. The Review says: "This well-known mining man is in Los Angeles on business for a few days. He is finishing up the details of a deal for the Alpine mine near Georgetown, Cal. Mr. Wingfield is very enthusiastic about the Alpine. He says on the 300-foot level he has developed thirty-one feet of ore that will average \$12, and has drifted on it 200 feet. On the levels above the ore averages about \$10. In that locality wood and water are abundant and cheap, so that \$12 ore is largely profitable."

Mr. Wingfield has an established reputation as a man who does things in mining, instead of standing around and talking just to hear himself talk, and we are pleased to know that he is satisfied with the Alpine. It will not be permitted to lie idle and unworked under his control, and the starting up of active operations on that property will probably result in capital taking hold of some of the other promising mining properties in this county.

BUTCHER MEETS WITH ACCIDENT

Edward Bedlock, an employee of the Tonopah-Goldfield Meat Market, while working in the slaughter house, met with a painful, though not serious accident, yesterday afternoon. While dressing a beef the knife slipped and entered his left about an inch above the knee, tearing a gash to the bone. The services of a physician were called and the wound dressed.

HARKLESS SAYS HE IS HARKLESS

THE SUPPOSED DEAD MAN WAS VERY MUCH IN EVIDENCE YESTERDAY.

There is trouble in the public administrator's office. For yesterday Henry Harkless drove into town from his ranch near Cliffords and on his arrival here learned that a man supposed to be Henry Harkless had dropped dead several weeks ago in front of the Pioneer Stables, and the Coroner's jury said that the deceased was Henry Harkless. So Public Administrator L. L. Blumenthal, through his attorney, J. H. Morris, sold a wagon belonging to Henry Harkless for the necessary funds to pay the funeral expenses. There was a clause attached to the sale, and that was if the sale was not satisfactory the money would be refunded. And in that the public administrator sees a way out of the serious position he is placed in. But there is another question, and that is how will he get the money paid for the funeral expenses of the unknown.

"I never did care for those coroners' verdicts," said Mr. Blumenthal yesterday afternoon.

Verily we believe him.
